One week on the travelling teams move onto the 7th running of the Australian Dirt Late Model Nationals at the Perth Motorplex this year to be held over two nights on Friday Jan 25th & Sunday Jan 27th. This is an idea by the organisers & Gavin Migro to help with the growing number for the event and to give teams flying in time to dial into the track with hot laps & time trials on night one, this year's running of the Nationals is sure to be the biggest yet.

The start of February will bring teams 700km up the road to Kalgoorlie International Speedway for the Fireball. This is the second year back for the big V8 thundering sedans and Kalgoorlie boss Robbo was quick to put them back on in 2008.

The Dirt Late Models made a long awaited return there last summer and the place ROCKED, this years race will be bigger.
