Oz Motorsport Promotions sponsors 2008 Australian Dirt Late Model Nationals lap

Oz Motorsport Promotions has signed on as one of the official Lap Sponsors for the QFS Australia 7th Annual Australian Dirt Late Model Nationals at the Perth Motorplex Sunday January 27.

The 30 lap race at the Kwinana Beach facility is expected to attract a record entry, including a number of US racers.

“The Dirt Late Model Nationals Feature is the most prestigious Dirt Late Model Race in Australia, and signing on as a lap sponsor means the Oz Motorsport Promotions name will be on display in front of the movers and shakers involved in the sport” said Rod Thurgood of Oz Motorsport Promotions.

“Late Model Racing Australia, in conjunction with LMRA Marketing Representative Brian ‘Bear’ Chalmers of BCM Motorsports Marketing, have put together a lap sponsor package that is very affordable to business houses and individuals, with the lap sponsors name receiving maximum exposure via media releases, the race program, and the Late Model Racing Australia website”.

“That’s really great value for \$100. With only 30 laps on offer I would urge anyone keen to sponsor a lap to contact Brian ‘Bear’ Chalmers at bear@bcmbear.com as soon as possible” Thurgood said.

Oz Motorsport Promotions will sponsor lap 10 of the QFS Australia Dirt Late Model Nationals Feature.
