

## Late Model Racing Australia's Corporate Partner

### – R2C Filters

**R2C Filters is the naming rights sponsor for the 2010/11 Racing Season Pro Dirt Late Model Racing Series.**

The ability to provide the highest quality products isn't something that comes overnight. For us, it came through hundreds of hours of testing. Our devotion to product testing and constant innovation has enabled us to create products that surpass industry standards and the standards of so-called performance filters on the market today.

R2C Power Flow Performance Air Filters deliver:

Efficiency: The most efficient performance filter on the market

Restriction: Lower average restriction throughout the life of the filter than any other performance filter available

Dust Capacity: More dust holding capacity than any other filter available

Cleanability: Compressed air cleaning only and NO OILING REQUIRED

## Late Model Racing Australia's Corporate Partner

### – Racin

The RACIN business was started 10 years ago by 2 speedway racers with over 40 years combined racing experience whose aim was to provide the West Australian racers a one stop shop to be able to purchase everything from Pop Rivets through to racing rubber.

Over the years RACIN has since extended its inventory to include over 3000 stock items and is supplying race teams with our parts from all states and territories across Australia.

We have now moved to the next step to provide our customers with an online store facility in hope of providing an even better service.

Our knowledge from being racers ourselves and our Distributor Manufacturer Training from regular visits to the USA allow us to pass on our advice to racers of all classes with an aim of putting you the customer in the "Winners Circle".

RACIN is the Australian Distributor for the following Brands:

- Genesis Shocks
- CAMAIR Dry Air Systems
- R2C Performance Air Filters
- Rocket Chassis

With regular container shipments arriving from the USA, we are able to supply special order items to cater for the individual racer's needs, contact us to enquire if there is something we don't regularly stock that you may require.
